

Once a year there is a big dog show in the Uk called 'Crufts'.

People come from all over the world to show their dogs.

The dogs are put in different groups to be judged:

Terriers	Gun Dogs	Working Dogs	Toy Dogs	Hounds	Utility	Pastoral
-----------------	-----------------	---------------------	-----------------	---------------	----------------	-----------------

The Agility Competition is also popular at Crufts, where dogs run around a course of obstacles through tunnels, and over jumps a seesaw and slalom around poles.

Some dogs help people in special ways.

For example some dogs are trained as guide dogs, sensory dogs, petting dogs for therapy and police dogs.

Some dogs can also be also trained as actors and steal the show in films and advertisements on television.
