Snooker Pot Shots 2

Answers

Snooker Balls have the following values

Red	Yellow	Green	Brown	Blue	Pink	Black
1	2	3	4	5	6	7

But if you pot the White by accident 4 points go to your opponent

Find these scores so far

Bobby pots

| Red | Blue | Red | 1 + 5 +1 =7 |

Nina pots

| Red | Pink | 1 + 6 =7 |

Bobby pots the White at the end of his next turn. Oops!

Bobby pots   Red   Green   Red   White (!) 1 + 3 + 1 = 5

Nina gets 4 Points

Nina pots   Red   Blue   Red   Green 1 + 5 +1 + 3 =10

What is Nina's score so far? 7 + 4 + 10 = 21

How many Red balls are left on the Table if they started with 15?

Together they have potted 7 Reds so 15 — 7 = 8
