

SHARING PIZZA

I WENT TO THE SHOP AND BOUGHT A WHOLE PIZZA, PEPPERONI FLAVOUR! YUM YUM!

1 PIZZA

Then my brother wanted to share my pizza and so I cut it in **two** equal pieces

1 PIZZA shared by 2 people can be written like this:-

1 (PIZZA)
SHARED BY
2 (PEOPLE)

Instead of writing 'shared by' every time, we can draw a line like this:

$$\Rightarrow \frac{1}{2}$$

From the picture we can see two halves make one whole,

$$\frac{1}{2} + \frac{1}{2} = 1$$
