

# Snooker Pot shots 3

Once all the red balls are potted the other colours are potted in turn of value with the lowest potted first.

Rachel potted    
Yellow and Green

How many points did she score?

What Colour must Jake pot next?

Jake potted     
Brown Blue and Pink

How many points did he score?

Rachel did not pot the Black

Jake then potted the Black 

What did he score?

From potting the Brown, Blue, Pink and Black What did Jake score?

How many more points is Black than Yellow?

How many more points is Pink than Green?

How many more points is Black than Blue?
